CASH OFFER
FOR
GLOBALWORTH REAL ESTATE INVESTMENTS LIMITED
BY
CPI PROPERTY GROUP S.A. AND AROUNDTOWN SA
THROUGH
ZAKIONO ENTERPRISES LIMITED

- CPI Property Group S.A. (“**CPI**”) and Arountown SA (“**Arountown**”, together with CPI, the “**Consortium**”) announce the terms of a cash offer pursuant to which Zakiono Enterprises Limited (“**Zakiono**”) shall offer to acquire the entire issued and to be issued share capital (not already held, or agreed to be acquired, by Zakiono) of Globalworth Real Estate Investments Limited (“**Globalworth**”) (the “**Offer**”).
- Under the terms of the Offer, which will be subject to the Conditions and certain further terms set out in Appendix 1 to this announcement and to the full terms and conditions which will be set out in the Offer Document, Globalworth Shareholders will be entitled to receive:

7.00 Euros in cash for each Globalworth Share

- The Offer values the entire issued and to be issued ordinary share capital of Globalworth at approximately EUR 1,571 million (or EUR 774 million in respect of the entire issued and to be issued ordinary share capital of Globalworth not held by the Consortium) and represents a premium of approximately:
 - 19.5 per cent. over the Closing Price of EUR 5.86 per Globalworth Share on 13 April 2021 (being the last business day prior to publication of this announcement); and
 - 18.6 per cent. to the volume weighted average price per Globalworth Share of EUR 5.90 for the one month period ended on 13 April 2021 (being the last business day prior to publication of this announcement).
- If after the date of this announcement, any dividend and/or other distribution and/or other return of capital is announced, declared or paid in respect of the Globalworth Shares, Zakiono reserves the right to reduce the offer consideration by an amount up to the amount of such dividend and/or distribution and/or return of capital so announced, declared or paid, in which case any reference in this announcement or the Offer Document to the offer consideration for the Globalworth Shares will be deemed to be a reference to the offer consideration as so reduced.

- The Offer shall be subject to the Conditions and further terms set out in Appendix 1 to this announcement and to be set out in the Offer Document, including:
 - valid acceptances of the Offer being received in respect of Globalworth Shares which, together with Globalworth Shares acquired or agreed to be acquired before such time (whether pursuant to the Offer or otherwise), will result in Zakiono and any person acting in concert with it holding Globalworth Shares carrying, in aggregate, more than 90 per cent. of the voting rights normally exercisable at a general meeting of Globalworth, however, Zakiono may decide to waive this acceptance condition down to a lesser percentage in accordance with Rule 10 of the Code, provided that Zakiono has acquired or agreed to acquire (whether pursuant to the Offer or otherwise) Globalworth Shares carrying in aggregate more than 50 per cent. of the voting rights normally exercisable at a general meeting of Globalworth. Zakiono currently holds (including Globalworth Shares it has agreed to acquire) 113,879,464 Globalworth Shares representing approximately 51.50 per cent. of the existing issued share capital of Globalworth; and
 - the Polish Antitrust Condition, the Romanian Antitrust Condition and the receipt of any other antitrust approvals and other regulatory consents as further described in Part A of Appendix 1 of this announcement.
- The Offer Document, containing further information about the Offer, shall be published as soon as practicable and, in any event, within 28 days of this announcement (or on such later date as may be agreed by the Panel). Subject to the satisfaction or, where applicable, waiver of the Conditions and certain further terms set out in Appendix 1 to this announcement, it is expected that the Offer will become wholly unconditional in the third quarter of 2021. An expected timetable of principal events will be included in the Offer Document.
- The Consortium currently holds 113,879,464 Globalworth Shares representing approximately 51.50 per cent. of the existing issued share capital of Globalworth. The Consortium, through Zakiono, also holds Warrants over a further 2,830,020 Globalworth Shares representing approximately 1.28 per cent. of the existing issued share capital of Globalworth. The Warrants held by Zakiono will lapse in accordance with their terms upon the Offer becoming unconditional in all respects, unless it is agreed with Globalworth that the terms of the Warrants will be amended.
- Zakiono is a Cyprus incorporated company. Zakiono is wholly-owned by Tevat Limited (“**Tevat**”), a Cyprus incorporated company currently wholly-owned by CPI. Upon or prior to the Offer becoming unconditional in all respects, Aroundtown will exchange its Globalworth Shares for shares in Tevat, such that CPI and Aroundtown will each hold 50 per cent. of the voting rights in Tevat and 57.30 per cent. and 42.70 per cent. of the economic rights in Tevat respectively. CPI’s and Aroundtown’s economic rights in Tevat will respectively decrease and increase pro rata depending on the number of Globalworth Shares acquired in the Offer or, following the Offer, in each case as funded by Aroundtown, with a view to each of CPI and Aroundtown holding 50 per cent. of the economic rights in Tevat following the Offer. Irrespective of their economic rights in Tevat, upon or prior to the Offer becoming unconditional in all respects, CPI and Aroundtown shall each hold 50 per cent. of the voting rights in Tevat, and will benefit from equal board appointment, senior management appointment and management and operational rights with respect to Tevat and Zakiono.
- CPI is one of the largest real estate companies in Central and Eastern Europe (“**CEE**”). It is a long-term investor in income-generating assets located predominantly in the Czech Republic, Berlin, Warsaw and the broader CEE region. CPI owns and operates a large, high-quality and diversified real estate portfolio valued at an estimated EUR 10.3 billion as at 31 December 2020. Office properties are CPI’s largest segment, accounting for 52 per cent. of the portfolio value as at 31 December 2020, followed by retail assets (22 per cent.), residential properties

(9 per cent.), hotels and resorts (7 per cent.) and land bank and other – development, industrial, agricultural and logistics – properties (11 per cent. in aggregate), respectively. Geographically, 41 per cent. of the portfolio in terms of value was located in the Czech Republic, 25 per cent. in Germany, 15 per cent. in Poland, 6 per cent. in Hungary, 6 per cent. in other CEE countries and the remaining 6 per cent. in Western Europe, respectively, as at 31 December 2020. CPI's office properties are primarily located in four Central European capital cities – Berlin, Prague, Warsaw and Budapest – whereas the retail portfolio mainly comprises dominant, regional shopping centres and retail parks in the Czech Republic, Poland and Hungary. CPI's strategy is to continue growing its portfolio in the CEE region, with a primary focus on offices in Prague, Berlin, Warsaw and other major cities.

CPI collected 95 per cent. of contracted rent before the impact of one-time COVID-19 discounts, and 98 per cent. including discounts. As at 31 December 2020, EPRA NAV amounted to EUR 5.1bn billion (unchanged versus year-end 2019) and Net Loan-to-Value (LTV) stood at 40.7 per cent. (versus 36.2 per cent. at year-end 2019), slightly higher year-on-year due to acquisitions but comfortably within CPI's financial policy.
- Aroundtown is a Luxembourg incorporated real estate company with a focus on income generating quality properties with value-add potential in central locations in top tier European cities primarily in Germany and the Netherlands, with its shares admitted to trading on the regulated market of the Frankfurt Stock Exchange (Prime Standard). Aroundtown has an investment grade rating from S&P (BBB+). Aroundtown owns and operates a large, high-quality and diversified real estate portfolio valued at approximately EUR 24.5 billion as at 31 December 2020, including 41 per cent. of Grand City Properties S.A. ("GCP"). Office properties are Aroundtown's largest segment, accounting for 51 per cent. of the portfolio value as at 31 December 2020, followed by hotels (24 per cent.), residential properties (14 per cent.), retail (7 per cent.) and logistics and other properties (4 per cent. in aggregate), respectively. Geographically, 86 per cent. of the commercial portfolio in terms of value, excluding GCP, was located in the Germany and the Netherlands as at 31 December 2020.
- Aroundtown invests in commercial and residential real estate which benefits from strong fundamentals and growth prospects. The commercial properties are held by Aroundtown, and in addition Aroundtown holds a substantial interest (approximately 41 per cent.) in GCP, a publicly traded real estate company that focuses on investing in value-add opportunities predominantly in the German residential real estate market as well as the London residential real estate market. Operating with a fully integrated real estate value chain Aroundtown targets cash generating properties with upside potential in terms of rental income and/or occupancy, lease and tenant structure, cost level optimisation and consequential value. Through an intensive property management, including operational and repositioning activities, Aroundtown seeks to further improve its portfolio results, create secure and strong cash flow generating characteristics and benefits from the portfolio's internal growth potential. Aroundtown believes that this enables it to create significant value in its portfolio. Aroundtown's strategy is centred around its main pillars and continuously improving upon operational and financial metrics, with a centrally located portfolio in top tier cities.

- In the financial year ended 31 December 2020, Aroundtown generated net rental income of EUR 1,003 million (up 31 per cent. versus 2019) and Adjusted EBITDA of EUR 944.1 million (up 22 per cent. versus 2019). - CPI and Aroundtown intend to enhance Globalworth's positioning as a leading CEE commercial real estate owner and operator, both by increasing investment in existing assets and by expanding its portfolio. CPI and Aroundtown believe that this can be best executed under their joint ownership, where access to capital and operational expertise is more readily available. CPI and Aroundtown have significant experience of successfully operating comparable businesses and are well positioned to support Globalworth's development.
- Zakiono and its advisers have not had access to Globalworth's non-public information or documentation and accordingly have been unable to perform any due diligence on such information or documentation. All information relating to Globalworth and the Globalworth Group has been sourced from publicly available information and has not been subject to comment or verification by Globalworth or the relevant member of the Globalworth Group or their respective directors.

Overseas Shareholders

The release, publication, distribution or availability of this announcement or the Offer to persons who are residents, citizens or nationals of, jurisdictions other than the United Kingdom and Guernsey may be restricted by the laws and regulations of those jurisdictions and therefore any persons into whose possession this announcement comes (who are subject to the laws and regulations of any jurisdiction other than the United Kingdom and Guernsey) should inform themselves of, and observe, any applicable restrictions. In particular, the ability of persons who are not resident in the United Kingdom or Guernsey, or who are subject to the laws of another jurisdiction, to participate in the Offer or to accept or procure the acceptance of the Offer (when made), may be affected by the laws of the relevant jurisdictions in which they are located. Globalworth Shareholders who are in any doubt regarding such matters should consult an appropriate independent financial adviser in their relevant jurisdiction without delay. Any failure to comply with such requirements may constitute a violation of the laws and/or regulation of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and other persons involved in the Offer disclaim any responsibility or liability for any violation of such restrictions by any person.

This announcement has been prepared for the purposes of complying with English law, Guernsey law and the Code and information disclosed may not be the same as that which would have been prepared in accordance with the laws of jurisdictions outside England and Guernsey.

Unless otherwise determined by Zakiono or required by the Code, and permitted by applicable law and regulation, the Offer shall not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Offer by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this announcement and all documents relating to the Offer are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this announcement and all documents relating to the Offer (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from such jurisdictions where to do so would violate the laws in that jurisdiction.

Notice to Shareholders in the United States

The Offer is being made to Globalworth Shareholders resident in the United States in reliance on, and compliance with, Regulation 14E and the related rules promulgated under the US Securities Exchange Act of 1934 (the “**Exchange Act**”), subject to any exemptions or relief therefrom, as applicable, including as set forth in Rule 14d-1(d) of the US Exchange Act, and otherwise in accordance with the requirements of the Code, the Panel, the London Stock Exchange and the UK Financial Conduct Authority. The Offer is being made in the United States by the Consortium and no one else.

The Offer relates to the shares of a Guernsey incorporated company that is not registered under the Exchange Act and is admitted to trading on AIM and is subject to disclosure and other procedural requirements, format and style which are different from those in the United States including with respect to withdrawal rights, offer timetable and settlement procedures.

Financial information included in this announcement has been or will be prepared in accordance with accounting standards applicable in Guernsey and the United Kingdom, and may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

The receipt of consideration by a US holder for the transfer of its Globalworth Shares pursuant to the Offer may be a taxable transaction for United States federal income tax purposes and under applicable United States federal, state and local, as well as non-US and other, tax laws. Each Globalworth Shareholder is urged to consult their independent professional adviser immediately regarding any acceptance of the Offer including, without limitation, the tax consequences of the Offer applicable to them, including under applicable United States federal, state and local, as well as non-US and other, tax laws.

It may be difficult for US holders to enforce their rights, effect service of process within the United States and/or enforce any claim and claims arising out of the US federal securities laws, since Globalworth is incorporated under the laws of Guernsey, Zakiono and Tevat are incorporated under the laws of Cyprus, CPI is incorporated under the laws of Luxembourg and Aroundtown is incorporated under the laws of Luxembourg and the majority of the officers and directors of each of Globalworth, Zakiono, CPI, Aroundtown and Tevat are residents of countries other than the United States and most of their respective assets are outside the United States. It may not be possible to sue Globalworth, Zakiono, CPI, Aroundtown or Tevat, or any of their respective directors, officers or affiliates, in a non-US court for violations of US laws, including US securities laws. It may be difficult to compel Globalworth, Zakiono, CPI, Aroundtown and Tevat and their respective directors, officers and affiliates to subject themselves to the jurisdiction of a US court. There is doubt as to the enforceability in the United Kingdom and Guernsey of original actions, or of actions for enforcement of judgments of US courts, based on civil liability provisions of US federal securities laws and judgments of a US court.

Neither the SEC nor any US state securities commission has approved or disapproved the Offer, or passed upon the fairness of the Offer or passed upon the adequacy or accuracy of the information contained in this announcement or otherwise in respect of the Offer. Any representation to the contrary is a criminal offence in the United States.

No offer to acquire securities or to exchange securities for other securities has been made, or will be made, directly or indirectly, in or into, or by the use of the mails of, or by any means or instrumentality of interstate or foreign commerce or any facilities of a national securities exchange of, the United States or any other country in which such offer may not be made other than: (i) in accordance with the tender offer requirements under the Exchange Act, or the securities laws of such other country, as the case may be; or (ii) pursuant to an available exemption from such requirements.

In accordance with normal UK practice, Zakiono, CPI and Aroundtown or their respective nominees, or their respective brokers (acting as agents), may, from time to time, make certain purchases of, or arrangements to purchase, Globalworth Shares outside of the United States, other than pursuant to the Offer, until the date on which the Offer becomes effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed, as required in the UK, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. No purchases will be made other than pursuant to the Offer in the United States by or on behalf of CPI and Aroundtown, their affiliates or their respective nominees.

3. Background to and reasons for the Offer

CPI and Aroundtown believe that now is the right time to consolidate their expertise in order to develop and grow Globalworth's business further, which can, in their view, be best executed under their joint ownership of Globalworth. Both CPI and Aroundtown have significant experience in successfully managing and operating comparable real estate businesses, and are well positioned to support Globalworth's development.

Similar operating model

- As a leading owner of income-generating properties in Central and Eastern Europe with approximately EUR 3 billion property portfolio producing approximately EUR 183 million of annual contracted rent as of 31 December 2020, Globalworth uses a comparable operating model and pursues a similar growth strategy to CPI and Aroundtown.

Highly complementary portfolio

- Globalworth's assets are concentrated in the highly attractive markets of Poland and Romania, which will complement CPI and Aroundtown's respective geographical footprints.
- Globalworth's offices are predominantly standing modern Class A properties underpinned by long-term, Euro-denominated, triple net, inflation-linked leases with a high quality and diversified tenant base.

Strong governance and focus on environment and sustainability

- Globalworth has strong governance, an experienced management team and a solid investment grade capital structure.
- 47 assets in Globalworth's portfolio¹, representing an appraised value of approximately EUR 2.2 billion or approximately 82 per cent. of commercial value, were green certified (BREEAM or LEED) as of 31 December 2020; 17 properties currently in certification or re-certifying process principally targeting BREEAM accreditations.

Low execution risk

¹ Additionally, the Renoma property is currently under refurbishment/ repositioning, and has maintained its BREEAM Excellent green accreditation.

- CPI and Aroundtown have significant experience in successfully managing and operating comparable real estate businesses and are well positioned to support Globalworth's development.

5. Information on Zakiono, CPI and Aroundtown

5.1 Zakiono

Zakiono is a Cyprus incorporated company. Zakiono is wholly-owned by Tevat, a Cyprus incorporated company currently wholly-owned by CPI. CPI's and Aroundtown's economic rights in Tevat will respectively decrease and increase pro rata depending on the number of Globalworth Shares acquired in the Offer or, following the Offer, in each case as funded by Aroundtown, with a view to each of CPI and Aroundtown holding 50 per cent. of the economic rights in Tevat following the Offer. Irrespective of their economic rights in Tevat, upon or prior to the Offer becoming unconditional in all respects, CPI and Aroundtown shall each hold 50 per cent. of the voting rights in Tevat, and will benefit from equal board appointment, senior management appointment and management and operational rights with respect to Tevat and Zakiono.

Geographically, 41 per cent. of the portfolio in terms of value was located in the Czech Republic, 25 per cent. in Germany, 15 per cent. in Poland, 6 per cent. in Hungary, 6 per cent. in other CEE countries and the remaining 6 per cent. in Western Europe, respectively, as at 31 December 2020. CPI's office properties are primarily located in four Central European capital cities – Berlin, Prague, Warsaw and Budapest – whereas the retail portfolio mainly comprises dominant, regional shopping centres and retail parks in the Czech Republic, Poland and Hungary. CPI's strategy is to continue growing its portfolio in the CEE region, with a primary focus on offices in Prague, Berlin, Warsaw and other major cities.

CPI is an established issuer which has since October 2017 to date successfully raised over EUR 6 billion equivalent of debt in the international capital markets. It has investment grade ratings from international rating agencies S&P (BBB), Moody's (Baa2) and Japan Credit Rating Agency (A-). CPI is headquartered in Luxembourg and some of its shares are listed on the

Frankfurt Stock Exchange (General Standard). As at 31 December 2020, Mr. Radovan Vitek, a Czech entrepreneur, controlled 94.18 per cent. of CPI's voting rights.

In the financial year ended 31 December 2020, CPI generated net rental income of EUR 338 million (up 15 per cent. versus 2019) and consolidated EBITDA of EUR 338 million (up 16 per cent. versus 2019), driven by the contribution from acquisitions, 0.8 per cent. like-for-like growth in gross rental income (mainly in Berlin), resilient occupancy at 93.7 per cent., and the limited impact of one-time discounts provided to tenants (less than 4 per cent. of CPI's net rental income). CPI collected 95 per cent. of contracted rent before the impact of one-time COVID-19 discounts, and 98 per cent. including discounts. As at 31 December 2020, EPRA NAV amounted to EUR 5.1 billion (unchanged versus year-end 2019) and Net Loan-to-Value (LTV) stood at 40.7 per cent. Operating with a fully integrated real estate value chain Arountown targets cash generating properties with upside potential in terms of rental income and/or occupancy, lease and tenant structure, cost level optimisation and consequential value. Through an intensive property management, including operational and repositioning activities, Arountown seeks to further improve its portfolio results, create secure and strong cash flow generating characteristics and benefits from the portfolio's internal growth potential. Arountown believes that this enables it to create significant value in its portfolio. 8. **Intentions of the Consortium with regard to Globalworth’s Business, Employees and Pension Scheme**

Management, employees and locations of Globalworth

As summarised at paragraph 3 (*Background to and reasons for the Offer*) above, the Consortium believes that now is the right time to consolidate their expertise in order to develop and grow Globalworth’s business further. Both CPI and Arountown have significant experience in successfully managing and operating comparable real estate businesses, and are well positioned to support Globalworth’s development.

Lack of access to undertake detailed planning

The Consortium has not substantially engaged with Globalworth in advance of the Offer, and as such has not had access to Globalworth’s non-public information or documentation. Accordingly, Globalworth Shareholders should note that the Consortium has not been able to perform any due diligence on such information or documentation or undertake any substantial non-public analysis in order to formulate detailed plans regarding the impact of the Offer on Globalworth and its employees, management, businesses, operations and otherwise.

However, the Consortium already has a certain degree of understanding and appreciation of Globalworth's business and is confident that CPI and Aroundtown, as Zakiono shareholders and experienced acquirers of businesses, will be able to improve Globalworth's business performance. This assessment of the business is based on the Consortium's own outside-in perspectives, industry benchmarks and publicly available information.

The proposals outlined in this section 8 remain subject to detailed implementation planning following completion of the Offer. Within six months of the Offer completing, the Consortium intends to undertake a detailed strategic review of Globalworth's business, including in relation to its assets, strategies and operations, in order to determine how best to improve Globalworth's business performance.

Employees, management and pensions

The Consortium attaches significant importance to the skills and experience of the existing management and employees of the Globalworth Group.

The Consortium believes that the ongoing participation of senior management of Globalworth is important to Globalworth going forward. Therefore, proposals regarding incentivisation arrangements for management and employees of the Globalworth Group may be considered, following completion of the proposed Offer. However, no discussions relating to such incentivisation arrangements have yet taken place, and no decision has been made by the Consortium with regards to the ongoing participation of senior management of Globalworth.

The Consortium plans to fully observe, following completion of the proposed Offer, existing contractual and statutory employment rights, including in relation to pensions, of all Globalworth employees in accordance with applicable law. Save as set out below in respect of a limited number of public-company related functions, the Consortium does not expect any reduction in headcount that could be considered material in the context of Globalworth's approximately 226 employees. The Consortium does not intend to make any material changes to the terms and conditions of employment of the employees of the Globalworth Group, or alter the balance of skills and functions of management and employees.

If Globalworth ceases to be admitted to trading on AIM (see below), a limited number of public company-related functions may be reduced in scope or become unnecessary. The Consortium has not developed proposals as to how any such headcount reductions will be implemented, but will work with Globalworth's management to minimise any such headcount reductions by reassigning such individuals to other appropriate roles within Globalworth to the extent possible.

Globalworth does not operate or sponsor a defined benefit pension scheme.

Headquarters, locations, fixed assets and research and development

The Consortium does not have any intentions to change the places of Globalworth's business, including the location of its headquarters and the headquarters' functions. The Consortium does not intend to redeploy any of Globalworth's fixed assets.

Globalworth does not have any material research and development operations or functions and the Consortium does not intend to change this position.

Trading facilities

The Consortium does not currently intend to procure that Globalworth cancels the trading of Globalworth Shares from AIM. However, the Consortium reserves the right to procure that Globalworth will make a request for the cancellation of the admission to trading of Globalworth Shares on AIM if considered necessary or advisable or otherwise required by applicable regulation, including the AIM Rules.

9. Incentivisation arrangements

The Consortium believes that the ongoing participation of senior management of Globalworth is important to Globalworth going forward. Therefore, proposals regarding incentivisation arrangements for management and employees of the Globalworth Group may be considered, following completion of the proposed Offer. However, no discussions relating to such incentivisation arrangements have yet taken place, and no decision has been made by the Consortium with regards to the ongoing participation of senior management of Globalworth.

10. Financing the Offer

The cash consideration payable to Globalworth Shareholders under the terms of the Offer will be financed from CPI and Aroundtown's existing cash resources.

Barclays and Citi, as joint financial advisers to Zakiono, are satisfied that resources available to Zakiono are sufficient to satisfy in full the cash consideration payable to Globalworth Shareholders under the terms of the Offer.

11. Consortium Bid Agreement

On 14 April 2021, Zakiono, CPI, Aroundtown and Tevat entered into the Consortium Bid Agreement. It also includes customary standstill, exclusivity and other confirmations given by the parties in relation to the Offer. The Consortium Bid Agreement will terminate upon the earlier of:

- the agreement of the Consortium;
- the offer consideration having been paid in full to the holders of Globalworth Shares who have accepted the Offer (or who are subject to a Scheme if the Offer is implemented by way of a Scheme); and
- the Offer lapsing or being withdrawn or any condition to the Offer having been invoked with the consent of the Panel or any competing offer in relation to Globalworth having become effective or unconditional in all respects.

12. Globalworth Share Schemes

Participants in or other holders of rights under the Globalworth Share Schemes (other than Zakiono) will be contacted regarding appropriate proposals under Rule 15 of the Code that will be made to them and details of the courses of action which will be open to them in due course. Details of the proposals will be set out in separate letters to be sent to participants in or other holders of rights under the Globalworth Share Schemes.

13. Disclosure of Interests in Globalworth Shares

Save for the Globalworth Shares and Warrants already held (or agreed to be acquired) by Zakiono, as at the close of business on 12 April 2021 (being the last practicable date prior to publication of this announcement), neither Zakiono nor any of the Directors of Zakiono nor, so far as Zakiono or the Directors of Zakiono are aware, any person acting in concert (within the meaning of the Code) with it for the purposes of the acquisition, has: (i) any interest in or right to subscribe for any relevant securities of Globalworth; (ii) any short positions in respect of relevant Globalworth Shares (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery; (iii) any

dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Code, in relation to Globalworth Shares or in relation to any securities convertible or exchangeable into Globalworth Shares; nor (iv) borrowed or lent any relevant Globalworth Shares (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Code), save for any borrowed shares which had been either on-lent or sold.

It has not been possible for Zakiono to make enquiries of all of its concert parties in advance of the release of this announcement. Therefore, if Zakiono becomes aware, following the making of such enquiries, that any of its concert parties have any such interests in relevant securities of Globalworth, all relevant details in respect of Zakiono's concert parties will be included in Zakiono's Opening Position Disclosure in accordance with Rule 8.1(a) and Note 2(a)(i) on Rule 8 of the Code.

14. Delisting and Re-registration

The Consortium does not currently intend to procure that Globalworth cancels the trading of Globalworth Shares from AIM. However, the Consortium reserves the right to procure that Globalworth will make a request for the cancellation of the admission to trading of Globalworth Shares on AIM if considered necessary or advisable or otherwise required by applicable regulation, including the AIM Rules.

15. Further terms and Conditions to the Offer and timetable

The Offer will be subject to the Conditions and certain further terms set out in Appendix 1 to this announcement and to the full terms and conditions which will be set out in the Offer Document and the Form of Acceptance accompanying the Offer Document.

The Transaction is conditional on, among other things:

- valid acceptances of the Offer being received in respect of Globalworth Shares which, together with Globalworth Shares acquired or agreed to be acquired before such time (whether pursuant to the Offer or otherwise), will result in Zakiono and any person acting in concert with it holding Globalworth Shares carrying, in aggregate, more than 90 per cent. of the voting rights normally exercisable at a general meeting of Globalworth, however, the Consortium may decide to waive this acceptance condition down to a lesser percentage in accordance with Rule 10 of the Code, provided that Zakiono has acquired or agreed to acquire (whether pursuant to the Offer or otherwise) Globalworth Shares carrying in aggregate more than 50 per cent. of the voting rights normally exercisable at a general meeting of Globalworth. Zakiono currently holds (including Globalworth Shares it has agreed to acquire) 113,879,464 Globalworth Shares representing in aggregate approximately 51.50 per cent. of the existing issued share capital of Globalworth;
- the Polish Antitrust Condition and the Romanian Antitrust Condition; and
- fulfilment of those other terms and conditions listed in Appendix 1.

Any decision by the Consortium to waive down the acceptance condition to a lesser percentage (including, without limitation, down to 50 per cent. plus one Globalworth Share) shall be at the sole and absolute discretion of the Consortium (without any further consents being required).

Under Rule 31.7 of the Code, except with the consent of the Panel, all of the Conditions must be satisfied or the Offer will lapse within 21 days of the first closing date or the date the Offer becomes or is declared unconditional as to acceptances, whichever is the later. Rule 31.7 also provides that the Panel's consent to an extension will normally only be granted, broadly, if the

outstanding condition involves a material official authorisation or regulatory clearance relating to the Offer.

Globalworth Shareholders who have accepted the Offer will not be able to withdraw their acceptances from the date on which the Offer becomes or is declared unconditional as to acceptances until the date on which the Offer becomes or is declared unconditional in all respects or lapses. Accordingly, if the 21 day period in Rule 31.7 is extended by the Panel, Globalworth Shareholders will not be able to withdraw acceptances for the duration of this extended period.

An indicative timetable setting out the expected dates for implementation of the Offer will be included in the Offer Document.

The Offer is being made in the United States by the Consortium and no one else.

The Offer relates to the shares of a Guernsey incorporated company that is not registered under the Exchange Act and is admitted to trading on AIM and is subject to disclosure and other procedural requirements, format and style which are different from those in the United States including with respect to withdrawal rights, offer timetable and settlement procedures.

Financial information included in this announcement has been or will be prepared in accordance with accounting standards applicable in Guernsey and the United Kingdom, and may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

The receipt of consideration by a US holder for the transfer of its Globalworth Shares pursuant to the Offer may be a taxable transaction for United States federal income tax purposes and under applicable United States federal, state and local, as well as non-US and other, tax laws. Each Globalworth Shareholder is urged to consult their independent professional adviser immediately regarding any acceptance of the Offer including, without limitation, the tax consequences of the Offer applicable to them, including under applicable United States federal, state and local, as well as non-US and other, tax laws.

It may be difficult for US holders to enforce their rights, effect service of process within the United States and/or enforce any claim and claims arising out of the US federal securities laws, since Globalworth is incorporated under the laws of Guernsey, Zakiono and Tevat are incorporated under the laws of Cyprus, CPI is incorporated under the laws of Luxembourg and Aroundtown is incorporated under the laws of Luxembourg and the majority of the officers and directors of each of Globalworth, Zakiono, CPI, Aroundtown and Tevat are residents of countries other than the United States and most of their respective assets are outside the United States. It may not be possible to sue Globalworth, Zakiono, CPI, Aroundtown or Tevat, or any of their respective directors, officers or affiliates, in a non-US court for violations of US laws, including US securities laws. It may be difficult to compel Globalworth, Zakiono, CPI, Aroundtown and Tevat and their respective directors, officers and affiliates to subject

themselves to the jurisdiction of a US court. There is doubt as to the enforceability in the United Kingdom and Guernsey of original actions, or of actions for enforcement of judgments of US courts, based on civil liability provisions of US federal securities laws and judgments of a US court.

Neither the SEC nor any US state securities commission has approved or disapproved the Offer, or passed upon the fairness of the Offer or passed upon the adequacy or accuracy of the information contained in this announcement or otherwise in respect of the Offer. Any representation to the contrary is a criminal offence in the United States.

No offer to acquire securities or to exchange securities for other securities has been made, or will be made, directly or indirectly, in or into, or by the use of the mails of, or by any means or instrumentality of interstate or foreign commerce or any facilities of a national securities exchange of, the United States or any other country in which such offer may not be made other than: (i) in accordance with the tender offer requirements under the Exchange Act, or the securities laws of such other country, as the case may be; or (ii) pursuant to an available exemption from such requirements.

In accordance with normal UK practice, Zakiono, CPI and Aroundtown or their respective nominees, or their respective brokers (acting as agents), may, from time to time, make certain purchases of, or arrangements to purchase, Globalworth Shares outside of the United States, other than pursuant to the Offer, until the date on which the Offer becomes effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed, as required in the UK, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. No purchases will be made other than pursuant to the Offer in the United States by or on behalf of CPI and Aroundtown, their affiliates or their respective nominees.

Part B: Certain further terms of the Offer

1. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.

2. Subject to the requirements of the Panel, Zakiono reserves the right to waive (if capable of waiver), in whole or in part, all or any of the Conditions in Part A above, except for the conditions set out at paragraph 1 (*Acceptance Condition*), which cannot be waived by Zakiono.
3. Zakiono shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any Condition by a date earlier than the latest date for the fulfilment of that Condition notwithstanding that the other Conditions of the Offer may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
4. If Zakiono is required by the Panel to make an offer for Globalworth Shares under the provisions of Rule 9 of the Code, Zakiono may make such alterations to the terms and conditions of the Offer, including to any of the Conditions, as are necessary to comply with the provisions of that Rule.

7. Zakiono reserves the right to elect, with the prior consent of the Panel (where necessary), to implement the Offer by way of a Scheme. 8. The availability of the Offer to persons not resident in the United Kingdom or Guernsey may be affected by the laws of the Restricted Jurisdictions. Persons who are not resident in the United Kingdom or Guernsey should inform themselves about and observe any applicable requirements.

14. Under Rule 13.5(a) of the Code, Zakiono may not invoke a Condition to the Offer so as to cause the Offer not to proceed, to lapse, or to be withdrawn, unless the circumstances which give rise to the right to invoke the Condition are of material significance to Zakiono in the context of the Offer.
